A delightful award-winning, unoaked white wine grown from some of the oldest Bacchus grapes in England that have been carefully tended and selected. This limited edition of 2,000 bottles comes from grapes that have been hand-harvested and de-stemmed before pressing.

A fresh, zesty dry white wine, handpicked from our long-established East Sussex vines. With notes of citrus, elderflower and white peach. Excellent with seafood, pan-Asian dishes or simply enjoy on its own.
